

Micro-Dermabrasion

Micro-Dermabrasion is a treatment that removes dead or damaged cell tissue from the outermost layer of your skin by moderate exfoliation. It has been proven to provide excellent results for smoothing mild acne scars, age spots, fine wrinkles, rough irregular skin, hyper-pigmentation, and improving your skin's overall appearance.

You Will See Noticeable Results!

We expended a lot of time and energy in researching which Micro-Dermabrasion system offers the best treatment results. And although the system we finally chose was quite expensive, we felt it would be an investment that would be worth it to you.

Of course micro-dermabrasion is of no benefit to anyone if they cannot afford the procedure. So as you'll see from our rates below, we've priced this service to be very affordable, especially when compared to other spas charging up to \$125.00 per treatment. *After all, who doesn't want to have healthier, younger looking skin!*

Face -- \$70

Face & Neck -- \$75

Face, Neck, & Decollete -- \$80

Face, Neck, Decollete & Hands -- \$85
(Discounts available for 4-6 treatments)

A soothing gel facial mask is provided after all facial treatments.

The above rates are for a per session fee lasting from 45 minutes to 1 hour. Optimum results are obtained with 4-6 treatments, about one every two weeks, depending upon skin type. Due to this treatment possibly being dehydrating to the skin, we strongly recommend Pevonia and Aveda skin care products. They will make a noticeable difference in your treatment results.

Salon & Spa Etiquette

Arrive Early

Please arrive at least 15 minutes before your spa appointment. This will allow you ample time to change, stow your belongings, and familiarize yourself with our facility.

Arriving late will shorten your treatment time if another treatment is scheduled immediately after yours.

Attire

Wear what you like as you may be changing into a robe and slippers provided by the spa depending upon the treatment you are receiving.

Privacy

Therapists drape towels or sheets to protect your privacy at all times. Only the area that is being worked on is undraped. For wet treatments we recommend that you bring a two-piece bathing suit if you prefer.
